

A BLOCKCHAIN CONFERENCE OF SUBSTANCE

TABCONF

FEB 2019

SPONSORSHIP INFORMATION

GEORGIA STATE UNIVERSITY | ATLANTA, GA
FEBRUARY 8-10, 2019

**A conference for all the people who want to make
a difference using decentralized technology.**

TABCONF.COM | #CRYPTOSUBSTANCE #NOSHILL

Expect new insights and substantial content from today's movers and shakers, cutting through the mainstream hype. Share ideas across economics, culture and technology, learn from each other, and let's build the future together.

This is an inclusive event, and with sponsorship support we're making TABConf affordable—enabling accessibility without huge price barriers. We believe in decentralized technology and don't want to leave anyone behind.

**We're not just building the future,
we're creating culture.**

TABCONF

TABCONF TRACKS

Anticipate to two full days of 30+ presentations from a highly curated group of the speakers who are outright subject matter experts in their fields.

Technical:

The technical track will cover topics from a variety of decentralized business models and cryptocurrency projects making a difference today. We will have the technical leaders who are reshaping how we think about privacy & scale, the innovators who founded some of today's biggest blockchain successes and the contributors of some of the most highly contentious protocol changes in recent months.

Professional Advisory:

The professional advisory track consists of legal, tax and strategic advisors whose guidance is critical to the success of any blockchain business. They'll help outline the risks, the opportunities and the penalties imposed by US regulators that are making or breaking blockchain companies today.

The Culture:

Focused on where blockchain intersects with culture, this track will explore the deeper meanings and the lighter side of blockchain today. Comics will entertain, philosophers will tackle the questions no one wants to talk about, while artists will debate if art on the blockchain is a good idea.

TABCONF MISSION

Create a big impact through this event by equipping our attendees with a knowledge base and a network that will generate ideas to drive organizational and societal change.

**But that's a big mission,
so we need your help.**

TABCONF

ADDITIONAL OPPORTUNITIES

Networking Party:

Be the hero every one is thankful for as they sip their delightful beverages and make awesome connections with fellow attendees. This networking event will close out Day 1 of TABConf 2019 and will certainly be a memorable event. Set up your table and display your branding material at the party venue.

Debate Sponsors:

Fund the ultimate debate experience by helping us get hardware devices used for attendee voting during debates. BTC vs BCH and ETC vs ETH. Sponsors will be advertised in many ways during the debates. We will also live stream these debates.

Coffee Sponsor:

This one is crucial. People need coffee. Be the focal point of TABConf attendees flocking to the coffee line by helping us purchase coffee, tea, and water. See your logo associated with refreshments for the conference. Thank you for helping quench our thirst!

Lanyard Sponsor:

See your logo hung around the necks of 1000 attendees, help us purchase the conference lanyards.

Emails:

Take advantage of our guest list and issue a promotional email. The content of the email will have to be approved and will be sent by TABConf Staff.

COMMUNITY / MEDIA SPONSOR

Partner with us to help bring awareness around the event and be a voice associated with a blockchain conference of substance. Please reach out via the email below and we'll work out a deal to benefit us both!

THANK YOU!

If you have any questions around sponsorship packages or other opportunities please reach out to us. We are working with each of our sponsors to be as accommodating as possible. Thank you for making TABConf 2019 possible!
